**Lane and Starting order draw
(Final version - revised 2017 06 29)**

The divisions of the athletes into heats and/or groups, the order of attempts in field events and lane allocation for running events shall be decided by a draw conducted by European Athletics. Each participating team shall be allocated a letter which shall determine the order of attempts in the field events and lane allocation in running events in accordance with the below charts.

The allocation of the position of the athletes within one team (e.g. A1, A2, etc...) shall remain at the discretion of the participating teams. This has to be announced latest during the final confirmation procedure and cannot be changed for the different individual disciplines during the decathlon and heptathlon competitions (athlete allocated with position A1 remains in the same position for all the individual disciplines), except for High Jump and Pole Vault where IAAF Rule 200.7 will apply.

For the 1500 metres (for Decathlon men) / 800 metres (for Heptathlon women) the teams' distribution per heat shall be established by the Technical Delegate according to the teams scoring standings 1 (one) hour before the scheduled time for the first heat of each race.
