

Stars to illuminate Madrid

Madrid's Centro Deportivo Municipal of Gallur indoor track will get full of stars next Friday 8th of February. A big group of worldwide best athletes will participate in this competition that will be another time this season one of the IAAF World Indoor Tour meetings. The Madrid one is part of the select group of the six best meetings worldwide along with Boston (USA), Karlsruhe (Germany), Torun (Poland), Birmingham (Great Britain) and Düsseldorf (Germany).

Madrid will shine with its own light and in the following weeks the names of the best participant athletes will be shown along with the best duels. The first top athlete confirmed is the sprinter **Dafne Schippers**, she will be one of the outstanding names in the 60m race and **fans can see her competing for the first time in Spain**. Dafne's participation will be one of the most attractive ones as the Dutch has reached to have great honours such as two Golden medals in 200m World Championships.

(Beijing '15 and London '17), is the 200m olympic silver medalist in Rio '16 and she also won five european gold medals in several distances. Besides the individual and relay medals she is the european recordwoman for 200m with the 21.63 that gaved her the gold medal in the Beijing 2015 World Championships.

The Villa de Madrid Meeting will let fans enjoy the top elite athletes great duels with flashing sprints, incredible jumps and exciting last meters in races. That amazing moments will be waiting those fans who decide to come to the competition. This will be a great opportunity to vibrate with top level athletics.

Just live it!
