

Progresión de la Mejor Marca del Campeonato

Progression Best Performances European Championships

Por/by Enrique Tre

(Miembro de la Asociación Española de Estadísticos de Atletismo)

INTRODUCCIÓN

Para cada una de todas las pruebas que han compuesto el programa de una edición de los Campeonatos de Europa se publica la cronología de la mejor marca del Campeonato.

En cada prueba se publica la siguiente información :

Mejor marca europea (E) o mundial (W)

Marca

(Marca eléctrica si no es la oficial)

Viento

Intento (Altura - Pértiga - Longitud - Triple Salto - Peso - Disco - Martillo - Jabalina)

Nombre Atleta

Apellido Atleta

País

Posición

Edición del Campeonato

Ciudad donde se encontraba la pista de la competición en el caso de que no fuera la que da nombre a la misma

Fecha

En las marcas intermedias o preliminares (Altura - Pértiga - Longitud - Triple Salto - Peso - Disco - Martillo - Jabalina) no se indica la posición.

En algunos casos al no venir en los resultados oficiales el orden de actuación de los atletas, no se ha podido determinar con exactitud el orden de la cronología, pero se ha hecho constar en las siguientes notas explicativas:

A B = Orden de actuación no conocido en saltos verticales (altura y pértiga)

X Y = Grupos simultáneos de calificación en saltos verticales (altura y pértiga) pero conociéndose el orden de actuación en cada grupo

0 = Atletas con la misma marca pero serie desconocida

1 = En el caso de que su actuación se hubiera efectuado antes del atleta que en la primera ronda consigue la mejor marca

2 = En el caso de que su actuación se hubiera efectuado antes del atleta que en la segunda ronda consigue la mejor marca

4 = En el caso de que su actuación se hubiera efectuado antes del atleta que en la cuarta ronda consigue la mejor marca

Q = Orden de los atletas en los grupos de calificación desconocida

Z = Atletas que realizan la marca en la misma ronda pero en distinto grupo de calificación

INTRODUCTION

The Championship records are listed in chronological order for all of the events included in the programme for the European Athletics Championships.

The following information is published for each event:

European (E) or World (W) record

Performance (Unofficial electronic timing or measurement)

Wind

Attempt (High jump - Pole vault - Long jump - Triple jump - Shot put - Discus - Hammer - Javelin)

Athlete's Forename

Athlete's Surname

Country

Position

Championship Edition

City where the venue was located if different

Date

For performances in the intermediate or preliminary rounds (High jump - Pole vault - Long jump - Triple jump - Shot Put - Discus - Hammer - Javelin) the athlete's position is not shown.

Where the performances of the athletes are not shown in order in the official results it has not been possible to determine exactly the chronological order, but the following explanatory notes are included:

A B = Order of performance not known in the vertical jumps (High jump and Pole vault)

X Y = Simultaneous qualifying round groups in the vertical jumps (High jump and Pole vault) but the competing order of athletes in each group is not known.

0 = Athletes with the same performance but where the qualifying round is not known.

1 = Where a Championship record was set prior to an athlete achieving a new record in the first round.

2 = Where a Championship record was set prior to an athlete achieving a new record in the second round.

4 = Where a Championship record was set prior to an athlete achieving a new record in the fourth round.

Q = Order of the athletes in the qualifying groups not known.

Z = Athletes who produce the same performance in a qualifying round but in a different group
